

RSUPIC

Region 5 Substance Use Prevention Integration Center

Our mission is to collaborate and provide equitable and trauma informed prevention services to communities through training, education, resources, referrals and other technical assistance. We support providers in Region 5 so that all youth, in all communities, have the knowledge and skills necessary to make healthy choices about substance use.

The following trainings, resources, and partnering opportunities are available to youth-serving organizations in Region 5:

TRAININGS

- Prevention Best Practices
- Drug Trends
- Adolescent Brain
- How Vaping Affects Teens
- Youth Mental Health First Aid
- QPR-Suicide Prevention, And More...

RESOURCES

- Evidence-based Substance Use Prevention Curriculum
- Other Life Skills curriculum
- Educational Materials
(including homeless youth, youth impacted by parental use disorders, etc...)
- Referral links for service

COLLABORATION OPPORTUNITIES

- Collaborate with other providers and groups in the region
- Connect with other training opportunities
